

# Internal Opportunities

## Group Specialist: Procurement

**A challenging opportunity has arisen for a highly strategic and astute business specialist to head up Procurement within ACSA.**

### Key Performance Outputs

The successful candidate will provide strategic direction and lead procurement to support the ACSA strategic framework.

The successful candidate is required to deliver on the following:

- Establish appropriate Procurement strategy, framework and policies to support the business environment.
- Develop, advocate and implement sourcing and negotiation strategies for key spend areas to achieve short and long term savings targets.
- Create an enabling environment which allows for alignment to strategy, standardisation and efficiency.
- Ensure a system of process management and compliance is embedded in business activities.
- Coordinating all relevant business activities.
- Facilitate risk management and mitigation during procurement and contracting processes.

***This position will be filled in line with ACSA's values and Employment equity policy.***

### Technical Skills and Experience

The challenges posed by this position require an individual with at least 8-10 years experience which includes senior management roles, supported by an appropriate tertiary qualification.

A proven track record is viewed as an essential requirement and will include experience related to the key performance outputs.

In addition the following will be relevant:

- ❖ Good overall understanding of Procurement and Company governance processes.
- ❖ Strong appropriate business relationships and strategic alliances.
- ❖ Detailed knowledge of relevant legislation.
- ❖ Computer literacy (MS Word, Excel).

### Competencies

The ideal candidate knows how businesses work and can comfortably handle risk and issues whilst providing guidance and direction as to solve problems. The ability to build strong and appropriate relationships, provide positive and corrective feedback whilst ensuring results are achieved timeously are viewed as critical in this role. Good judgment to optimize opportunity for synergy and integration is an essential requirement
